RE: NYSDOT PIN 1089.75, Bicycle and Pedestrian Improvements along Route 4 in the Town of North Greenbush, Rensselaer County.

Dear Mr. Franchini:

We are submitting the proposed amendment to the 2016-2021 CDTC TIP for consideration by the Planning Committee at its next scheduled meeting on November 2, 2016.

TIP PROJECT NUMBER: TBD

The amendment is proposed due to the following:

- ☐ Scope Change
- ☐ Cost Change
- ☐ Schedule Change
- ☒ New Project
- ☐ Other

PROVIDE EXPLANATION FOR CHANGE:

The enactment of the Consolidated Appropriations Act of 2016 authorized states to repurpose certain funds, originally earmarked for specific projects more than 10 years ago, provided that: less than 10 percent of the amount made available had been obligated for the original purpose; the funds would be applied to projects within 50 miles for which the funding was originally designated; and that the repurposed projects had a strong likelihood of being obligated within three years.

The Appropriations Act provided New York with an unprecedented opportunity to repurpose idle earmarks to revitalize cities, towns, and villages by implementing transformative and innovative projects that improve mobility and accessibility by making the transportation system safer for bicyclists, pedestrians and motorists alike. North Greenbush was the recipient of two locally administered projects to be funded with repurposed earmark funds. Funding for this project will not count against the Regional Core Funding.
