Re: SA295 / PIN 1760.38 – Pruyn Hill Pedestrian Safety, Phase II  
Halfmoon, New York  
Subject: TIP Amendment

Dear Mr. Franchini:

We are submitting the proposed amendment to the 2016-2021 CDTC TIP for consideration by the Planning Committee at its next scheduled meeting.

## **TIP # SA295 (PIN 1760.38): Pruyn Hill Pedestrian Safety, Phase II**

The project has the same scope as SA274 (PIN 1760.38 – Pruyn Hill Pedestrian Safety, Phase I) which was short on funding through Safe Routes to School. SA295 (PIN 1760.38, Phase II) was initiated to fully fund the project for construction. In order to keep with the original schedule of the project we are asking to move the funding to FFY 2016-2017. The design is being completed under the original project (SA274/PIN 1760.38), therefore we would also ask that the design funds be moved to the construction/construction inspection phase.
