RE: NYSDOT PIN 1007.19, Pavement Corrective Maintenance and ADA improvement in the Town of Coeymans, and Town of New Baltimore, Albany and Greene Counties.

Dear Mr. Franchini:

We are submitting the proposed amendment to the 2016-2021 CDTC TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBER: TBD

The amendment is proposed due to the following:

- ☐ Scope Change
- ☐ Cost Change
- ☐ Schedule Change
- ☒ New Project
- ☐ Other

PROVIDE EXPLANATION FOR CHANGE:

The enactment of the Consolidated Appropriations Act of 2016 authorized states to repurpose certain funds, originally earmarked for specific projects more than 10 years ago, provided that: less than 10 percent of the amount made available had been obligated for the original purpose; the funds would be applied to projects within 50 miles for which the funding was originally designated; and that the repurposed projects had a strong likelihood of being obligated within three years.

The Appropriations Act provided New York with an unprecedented opportunity to repurpose idle earmarks to revitalize cities, towns, and villages by implementing transformative and innovative projects that improve mobility and accessibility by making the transportation system safer for bicyclists, pedestrians and motorists alike. NYSDOT Region 1 was the recipient of one State administered and two locally administered projects to be funded with repurposed earmark funds from Demo NY547 (Phase II I-90 Connector ITS Laboratory). Funding for this project will not count against the Regional Core Funding.

The Project Limits for PIN 1007.19 are:
 Rt. 144 (Nodine Mt. Road to Coeymans Creek):
 Albany Co. RM 1102, 1000-1010
 Greene Co. RM 1301, 1030-1033
 Rt. 143 (Route 9W to Route 144): RM 1101, 1174 to 1187
