**SUBJECT: Request for New Project**

Dear Mr. Franchini:

CDTA requests a TIP Amendment to add a project to purchase and install signage for the region's Park & Ride lots for \$174,000. This project will include signs on highways, wayfinding signs, and signs at the lots. This will complete the signage recommendations of the recently completed Park and Ride/Express Bus Study. Investing in signage at park and ride lots is a high priority as it is a relatively low cost way to promote existing services.
