RE: NYSDOT PINs: 152536
PROJECT DESCRIPTION: I-890 RAMP
RECONFIGURATION & SAFETY
IMPROVEMENTS IN THE AREA OF EXIT 4, CITY
OF SCHENECTADY & TOWN OF ROTTERDAM,
SCHENECTADY COUNTY.

Dear Mr. Franchini:

We are submitting the proposed amendments to the 2013-2018 CDTC TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBER: S230

The amendment is proposed due to the following:

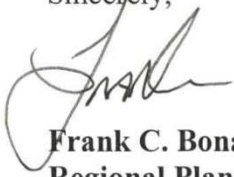

- ☐ Scope Change
- ☒ Cost Change
- ☐ Schedule Change
- ☐ New Project

PROVIDE EXPLANATION FOR CHANGE:

This is a safety improvement project to address fatalities and injuries on I-890 in the vicinity of Exit 4. This project was originally awarded \$3.300 million of HSIP funding through the FFY 2014 Highway Safety Improvement Program. After extensively evaluating design alternatives, Region One selected the alternative that removes the small circle including the bridge. The cost of this alternative approaches \$4 million with a safety cost/benefit of around \$7 million. The additional \$1.0 million HSIP funding required for this option is being provided by DOT Main Office from the HSIP allocation, and does not count against the regional or MPO allocation.

If you have any questions about this request, please call Ron Shaffer at 485-6000.

Sincerely,

Frank C. Bonafide
Regional Planning & Program Manager
