**Re: RG110 State Bridge  
Preservation Set-Aside**

Dear Mr. Franchini,

This is to provide the Committee notification that NYSDOT will be utilizing the State Bridge preservation block funding, previously approved under the subject project, for the following State Bridge preservation projects in Federal Fiscal Year 2013-14.

PIN 1722.23 Route 50 over I-87, BINs 1026380 & 1095930, City of Saratoga Springs, Saratoga County. This project is currently shown on the TIP as SA233. The block funds will supplement the original TIP amount and is needed for work zone traffic control, improved signalization including pedestrian signals and pedestrian access improvements including a multiuse path on the structure.

PIN 1043.34 Route 9 over Rt. 9J and Amtrak/Conrail, BINs 1005520 & 2005510, City of Rensselaer, Rensselaer County. This project is currently shown on the TIP as R238. It has been down-scoped to a preservation project and the schedule advanced due to continued deterioration of the structure.

If you have any questions regarding these projects please call me.

Sincerely

Frank Bonafide  
Acting Regional Planning & Program Manage
