VILLAGE OF GREEN ISLAND
20 Clinton Street
Green Island, New York 12183

September 18, 2015

Mr. Michael Franchini, Executive Director
Capital District Transportation Committee
One Park Place
Albany, New York 12205

Re: Village of Green Island-Black Bridge Rail Trail Connection Project
NYSDOT Transportation Improvement Program TIP# A552/PIN 1759.77

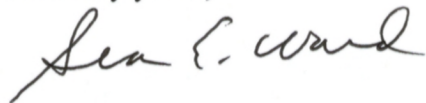

Dear Mr. Franchini: *Mike*

As per our conversation, the Village of Green Island would like to request a one year extension of the \$444,000 Black Bridge Rail Trail Connection Project from its original September 30, 2015 deadline to expend design engineer funds.

The primary reason for our delay is that the Village has applied for additional funding through the CFA process to cover the \$88,800 (20%) match that is required under the original grant. As you know, the CFA awards will be announced in the near future. We feel that any additional funding would put us in a better position to put a great trail project out there for the general public to use. An extension until September 30, 2016 will enable us the necessary time to fulfill that goal.

Thank you for your consideration of this request. Feel free to contact me if you have any further questions.

Sincerely yours,

Sean E. Ward
Executive Assistant to the Mayor
