RE: PIN 1759.95, Pavement Preservation – TIP #S223 Guilderland Avenue from Broadway to Schenectady City Line & Broadway, State to Millard

Dear Mr. Franchini,

Please see the below request for a TIP amendment regarding projects S223 Guilderland Avenue from Broadway to Schenectady City Line & S224 Broadway, State Street to Millard Street (PIN 1759.95).

1. TIP #S223 Guilderland Avenue from Broadway to Schenectady City Line & Broadway, State to Millard (1759.95) – Pavement Preservation

The City of Schenectady would like to request that the preliminary and final design phases for the above referenced pavement preservation projects be moved out into the 2015-16 federal fiscal year. A consultant for the City has been selected following Federal Guidelines and Procedures and a Master Agreement has been sent to the Region 1 local projects liaison at the New York State Department of Transportation. These actionable items however could not be processed in time to encumber the design money under the 2014-15 fiscal year as originally stipulated.
