CAPITAL DISTRICT  
 TRANSPORTATION COMMITTEE

Dear Mr. Franchini,

**Re: Joint Sitterly and Woodin Roads – Intersection ITS Improvements, SA281, PIN#1759.84**

The Towns of Clifton Park and Halfmoon are requesting that the above referenced project fund source be moved from the 2014-15 Fiscal Year to the 2015-16 Fiscal year to enable construction completion of the project. This is a no cost amendment, only a schedule change.

MJ Engineering and Land Surveying will be the consultant’s designing and managing the project, effective September 8, 2015.

Summary:

**TIP SA 281 (PIN 1759.84) Joint Sitterly and Woodin Roads Intersection Improvements and ITS Installation.**

This project was added to the TIP in 2014, due to numerous factors the consultant selection and master agreement were delayed. Hence the Towns are requesting a schedule change in order to complete the project.
