

**Changes to the Draft 2010-15 TIP Project Listings
Approved by Planning Committee on May 5, 2010
Included in Draft Sent to Policy Board Only**

This is a list of changes to project costs and schedules that were approved by the Planning Committee at its May 5, 2010 meeting. These changes were not included in the draft listings sent in the mailout to the Planning Committee, but are included in the draft listings sent in the mailout to the Policy Board.

CMAQ Projects: In order to meet fiscal constraint regulations, changes were made to the schedules of most CMAQ projects, as detailed in the May mailout to the Planning Committee.

Amendments from April 7 & May 5, 2010: Any amendments approved or recommended by the Planning Committee were included in the project listings sent to the Policy Board. Projects R155, R243, SA265, SA266 and SA267 were affected.

A461 (1757.31) Intersection of Fuller Road and Washington Avenue: The scope of this project was changed along with non-federal funding. These changes are now included in the project listings.

SA247 (1758.26) Core Area Mobility Impaired Accessibility Improvement Program: The funds were moved to the committed column to reflect their recent obligation.

S184 (1757.90) City of Schenectady Alternative Fuel Retrofit: The funds were increased to reflect their recent obligation and a corresponding amount removed from RG102 (the source set-aside).
