

Amendments to the 2010-15 TIP

At its December 2, 2010 meeting, CDTC made the following amendment to the Transportation Improvement Program.

1. T9 (1820.50), CDTA Facility Improvements

CDTA recently was approved by the FTA for competitive Section 5309 funds for State of Good Repair projects. These funds will be used for roof replacement with energy efficiency improvements on three buildings. Since most of the funding information remains the same, the change to the TIP is in italics.
