---	--

SPONSOR PRIORITY: 4 of 7 (excludes set-asides)
SCREENING ISSUES: None
OTHER CONSIDERATIONS: Will be coordinated with TIP project A461: Intersection improvements at Fuller and Washington. Unclear how Albany Nanotech facility expansion fits in. The scope description is not detailed enough to evaluate achievement of New Visions principles beyond infrastructure renewal. Close involvement of CDTC and other stakeholders during project development will be needed to ensure New Visions features are included.
