What days of the week/times of day are convenient for pick-up? _____

(CDTA/CDTC will choose times commonly convenient to as many successful applicants as possible. If you will use CDTA's contractor for installation (see following page), you will not need to pick up.)

Most towns and cities have the capability to install bike racks. However, if you can't arrange the installation and are requesting at least four bike racks for your location, CDTA can arrange to have them installed for you, FOR A FEE – see next page.

If your application is successful, will you need CDTA's contractor for installation? Yes No

Additional Comments:

Please fill out the appropriate (public/non-profit or private) memorandum of understanding (MOU) to expedite order and delivery. Send two copies with your application (scanned if by email). One completed MOU will be returned to successful applicants.

CDTA-assisted Installation Details

CDTA arranged for one of its contractors to provide installation in the event recipients do not have the ability to install the racks on their own. The following price list represents the range of prices – models not shown here will fall within the range. *Please note that these prices are per bike rack, and the contractor will only serve locations requesting four or more bike racks.*

Installation is not part of the grant and you will need to forward payment to CDTA. CDTA will arrange installations and forward your payment to the contractor. In addition, there is a 20% additional charge for installations in Saratoga County.

| Model | In Ground Mount | Surface Mount |
|-------------------------|-----------------|---------------|
| Swerve Rack | \$380 | \$220 |
| Hoop Rack | \$380 | \$220 |
| Bike Hitch | \$380 | \$240 |
| Bike Bike Rack | | \$680 |
| Helix Rack | | \$460 |
| Excalibur Sphere Rack | | \$680 |
| Excalibur Cylinder Rack | | \$640 |

If your application is successful, CDTA will contact you with the amount due. The bike racks you requested will be installed at the location you specified in this application. Please note that you will not need to pick up bike racks if you use this option.
