5:00pm-7:00pm***

***Milne Hall, Room 200
University at Albany – Downtown Campus
135 Western Avenue – Albany, NY***

The Capital District Transportation Authority will hold an open house on November 12th to present its plans for a second bus rapid transit (BRT) line to be built along the corridor of Washington and Western Avenues. Riders and residents are invited to share input on how to best deliver this innovative service to the community.

The proposed BRT line will travel from downtown Albany to Crossgates Mall with stations connecting University at Albany campuses, College of Saint Rose, the Harriman State Office Campus, and multiple residential neighborhoods and business districts.

Free parking is available in the Schuyler School and Thurlow Terrace Parking Lots. Guests may enter Page Hall and take the elevator to the 2nd Floor.
