The Capital Region Transportation Council (Transportation Council) is the designated Metropolitan Planning Organization (MPO) carrying out federal requirements for cooperative transportation planning and programming in Albany, Rensselaer, Saratoga, and Schenectady Counties (except for the Town of Moreau and the Village of South Glens Falls) in New York State. The Transportation Council is requesting expressions of interest from qualified firms or individuals to undertake the Village of Castleton-on-Hudson Complete Streets and Connections Plan.

This project was proposed with the purpose of creating a detailed plan for complete streets in the Village of Castleton and a trail connection to Schodack Island State Park. The study will develop a plan to implement Complete Streets that are safe, and convenient for travel by all modes of transportation by promoting elements that can reduce vehicular speed and congestion, improve safety for bicyclists and pedestrians, and encourage economic growth in the study area.

The study is being funded by the Transportation Council and the Village of Castleton-on-Hudson through the Transportation Council’s 2023-24 Unified Planning Work Program as part of the Community and Transportation Linkage Planning Program. The study has a fixed budget of $75,000 for consultant services. The Transportation Council, on behalf of the Village of Castleton, will administer the consultant contract and will jointly manage the study with the Village. The Transportation Council and the Village of Castleton would like to see this study completed within 12 calendar months from the date of contract execution.

Chaim Simon will serve as the project manager and will be the primary contact for technical and administration questions. Contact Latanya Sellie at the Transportation Council for a complete copy of the REI. Both Chaim and Latanya can be reached by calling 518-458-2161 or emailing cdtc@cdtcampo.org.

Letters of interest are due at 5:00 PM EST on Friday, July 21, 2023 via email to cdtc@cdtcampo.org or on a USB flash drive to the Capital Region Transportation Council, 1 Park Place, Suite 101, Albany, NY 12205. Paper submissions will not be accepted.
