

Request for Expressions of Interest
City of Troy Federal Street Corridor Study
issued by
Capital District Transportation Committee
Albany, N.Y.
October 13, 2021

The Capital District Transportation Committee (CDTC) is the designated Metropolitan Planning Organization (MPO) carrying out Federal requirements for cooperative transportation planning and programming within the Albany-Schenectady and Saratoga Springs metropolitan areas. CDTC seeks Expressions of Interest from qualified firms or individuals to execute the City of Troy Federal Street Corridor Study.

The study will evaluate options for redesigning Federal Street, including as a boulevard bookended with roundabouts at River Street and Sixth Avenue. This will include an evaluation of traffic implications with the vertical lift Green Island Bridge, River Street and BRT traffic, 5th Avenue, the Sixth Avenue/Peoples Avenue intersection, and RPI traffic to ensure motorized traffic continues to circulate while improving pedestrian and bicycle traffic flow and facilitating traffic operations with access management. The study will also evaluate existing safety deficiencies.

CDTC, on behalf of the City of Troy, will administer the consultant contract for the project and will assist the City as project manager. The study has a fixed budget of \$50,000 for consultant services.

Carrie Ward will serve as the project manager and will be the primary contact for technical and administrative questions either by phone 518-458-2161 or by email at cward@cdtcmpo.org. Please contact Latanya Sellie at CDTC directly for a complete copy of the REI either by calling 518-458-2161 or emailing at lsellie@cdtcmpo.org.

Letters of interest are due at the close of business (5:00 PM eastern time) on Friday, November 12, 2021 at the Capital District Transportation Committee offices, One Park Place, Main Floor, Albany, NY 12205. Five hard copies of the submission and one electronic copy are required.
