KEYS TO SUCCESS

- Starts from the top
- Take Advantage of Partnerships
- Take Advantage of Available Funding Streams

COUNTY FLEET

- Fleet Inventory + Electrification Plan
 - Inventory great for fleet management
 - Our use case is a good fit to ZEVs
 - Comprehensive look at our fleet use, charging needs, available vehicles, and best approach to electrify
 - Highly Recommend

COUNTY FLEET - PROCUREMENT CHALLENGES AND LESSONS

- Vehicles
 - Bidding - Work directly with manufacturers and dealers
 - Purchase vs. Lease
 - Grant driven to budget driven
 - Different Procurement Approaches

COUNTY FLEET - PROCUREMENT CHALLENGES AND LESSONS

- Stations - less grant funding - site work and particularly power can be expensive
- Green Bond
- Making the case
- Leading by example

PUBLIC STATIONS

- Have done two major rounds of installs on County property
- First Focused on locations that are most frequently visited
- Second focused on parks and amenities
- Looked at available plans to identify gaps
- More generous grant funding - Charge Ready would be great
- Need someone dedicated to troubleshooting
