Dear Mr. Franchini:

We are submitting the proposed amendment to the 2019-2024 CDTC TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBER: A574, A573

The amendment is proposed due to the following:

- Scope Change
- Cost Change
- Schedule Change
- New Projects
- Other**

PROVIDE EXPLANATION FOR CHANGE:

We have been carrying two projects separately on the TIP and are looking to combine them into one project. Currently they are listed under PINs 1528.82 and 1528.84. The combination of the projects is necessary in order to have a single contractor handling work zone on both projects in the same corridor to avoid conflicting lane closures. Also, we are bringing the funding of 1528.84 (I-90 over Erie Blvd) from 19-20 into 18-19.
