RE: NYSDOT PINS:

1007.16 (NY 144 BRIDGE OVER THE HANNACROIS CREEK, TOWN OF COEYMANS)

1051.77 (I-787 NB RAMP OVER THE SME TO SME WB, CITY OF ALBANY)

1810.26 (NY 911F FREEMANS BRIDGE OVER THE MOHAWK RIVER/ERIE CANAL, TOWN OF GLENVILLE)

Dear Mr. Franchini:

We are submitting the proposed amendment to the 2016-2021 CDTC TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBERS: A576, A572, S238

The amendment is proposed due to the following:

- Scope Change
- Cost Change**
- Schedule Change**
- New Projects
- Other

PROVIDE EXPLANATION FOR CHANGE:

NY 144 Bridge over the Hannacrois Creek: Based on Early Design Findings, Cultural Resources combined with Flooding Resiliency Requirements are inflating the anticipated cost of Construction on this project. These findings will also cause an extended design phase pushing construction out of Federal Fiscal Year 2019.

I-787 NB Ramp over the SME to SME WB: Some Overhead Sign Structures attached to this Bridge have recently been removed due to age and identified distress and need to be replaced as part of this project. In addition, the work zone traffic control and other challenges associated with working in the vicinity of the South Mall Expressway also contribute to the anticipated construction cost.

NY 911F (Freemans Bridge) over the Mohawk River/Erie Canal: The town of Glenville has requested a Multi-Use Path to connect the planned trail system with the City of Schenectady. The cost increase is largely attributed to accommodating this request.

NY 144 BRIDGE OVER THE HANNACROIS CREEK, TOWN OF COEYMANS:
