RE: NYSDOT PIN 1811.42 GLENRIDGE RD (RT 914V) OVERHEIGHT VEHICLE DETECTION AND WARNING SYSTEM INSTALLATION, TOWN OF GLENVILLE, SCHENECTADY COUNTY

Dear Ms. Misiewicz:

We are submitting the proposed amendment to the 2019-2024 CDTC TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBER: TBD

The amendment is proposed due to the following:

☐ Scope Change  
☐ Cost Change  
☐ Schedule Change  
X New Project  
☐ Other

PROVIDE EXPLANATION FOR CHANGE:

The New York State Department of Transportation is commencing a project to reduce the number of bridge strikes at the railroad bridge above Glenridge Road. The project was selected as part of a Main Office initiative and funding will not count against core funds.

The project will include deployment of a state-of-the-art electronic detection and active warning system, as well as the construction of a vehicle turnaround area on one side of the bridge and the potential for a diversion route on the other side.
