PIN 1085.49 – Carman Road Sidewalks
PIN 1762.61 – East Old State Road Sidewalk Pedestrian Safety ADA Improvement

Dear Ms. Misiewicz:

We are submitting the proposed amendment to the 2022-2027 CDTC TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBER: A604 and A628

The amendment is proposed due to the following:

- Scope Change
- Cost Change
- Schedule Change
- New Project
- Other

PROVIDE EXPLANATION FOR CHANGE:

The Town of Guiderland was awarded a TIP project for Carman Road Sidewalks, and a TAP project for East Old State Road. These two projects connect at the Carman Road/Old State Road intersection. These two projects were identified in the Ft Hunter /Carman Road Neighborhood Transportation Plan, which will increase the connectivity between the residential neighborhoods and commercial and civic facilities. To successfully and efficiently complete the project, the Town is requesting that the two PIN's be consolidated into one. Merging the projects will also allow for greater efficiencies in the project design, construction, and achievement of DBE goals. The following tables were created with the assistance from the NYSDOT. Also, Incidentals and ROW were missing from the current TIP on PIN 1762.91, the budgets were reallocated based on the TAP application to provide this budget.
