Amendments to the 2016-21 TIP

At its August 2, 2017 meeting, the CDTC Planning Committee recommended the following amendment to the Transportation Improvement Program (TIP).

1. R325 (1933.50) Grade Crossing Upgrade at Old Schaghticoke Road, Schaghticoke

This rail project was identified (along with several other lower-cost projects not requiring Policy Board action) as new locations in need of various signal crossing upgrades. As with all projects utilizing HSIP Rail funds, these do not count against Regional allocations. Therefore fiscal constraint on the TIP is not impacted.

Toll Credits will be used for the 10% match, making the project 100% federal, with no local or state funding.

The grade crossing upgrade consists of: a grade crossing signal upgrade, installation of automatic gates, installation of flashing lights and adjacent pavement repair.

<u>TIP Project</u>	<u>Year</u>	<u>Phase</u>	<u>Fund Source</u>	<u>Amount</u>
R325 (1933.50)	16-17	P	Rail	\$0.025M
Old Schaghticoke Road Schaghticoke	19-20	C	Rail	0.625
