Amendments to the 2016-21 TIP

NYS DOT, on behalf of the Thruway, is proposing to add the below project to the 2016-21 Transportation Improvement Program (TIP). Normally such proposals would be presented to the Planning Committee first for their recommendation to the Policy Board. **However, this was not presented to the Planning Committee.** Note that the below change has not been included in the Draft 2019-24 TIP, but will be included, if approved, in the committed period (outside the five-year program).

1. TIP # TBD, TWSE.19, Durable Pavement Markings on the NYS Thruway

This is a new project that will provide funding for durable pavement markings on the NYS Thruway in the Capital District area in 2018-19. The funding comes from the statewide federal funds and does not count against CDTC's fiscal constraint.

<u>TIP Project</u>	<u>Year</u>	<u>Phase</u>	<u>Fund Source</u>	<u>Amount</u>
