RE: NYSDOT PINs: 180801  
PROJECT DESCRIPTION: ADA COMPLIANCE, WESTMERE CORRIDOR PEDESTRIAN IMPROVEMENTS, TOWN OF GUILDERLAND, ALBANY COUNTY.

Dear Mr. Franchini:

We are submitting the proposed amendment to the 2013-2018 CDTC TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBER: A436, A466

The amendment is proposed due to the following:
- [ ] Scope Change
- [x] Cost Change
- [ ] Schedule Change

PROVIDE EXPLANATION FOR CHANGE:

This project is currently on the TIP as A436 and A466 with a construction amount of $1.048 million (.420 plus .628). We are requesting this be increased to a construction (plus inspection) cost of $1.568 million.

JUSTIFICATION: This project encompasses the north side of Route 20 from Route 155 to the SUNY Albany entrance. A large portion of the increase in PIN 180801(Phase I) is due to the amount of work moved from Phase II of this project (PIN 180997) into this phase, such as signal work. Putting all the signal work in one project will give a better overall product along the corridor and better bids.

If you have any questions about this request, please call Ron Shaffer at 485-6000.

Sincerely,

Frank C. Bonafide  
Acting Regional Planning & Program Manager
